

The Link Group

The Link Group was formed about 40 years ago and its many members over the years have enjoyed friendship, companionship and mutual support in relaxed and informal surroundings. These features are even more welcomed by today's members as most are of the older age group.

The Link Group offers a broad range of social activities including games evenings, quizzes, musical evenings, with parties at New Year and in the summer. There are various outings, theatre and cinema trips and dining out. Meetings are monthly, usually during the first week of each month, and, apart from the outings, are held in members' homes or in the Link Room at the Church.

Details of forthcoming events are announced in the Church's weekly news sheet or contact us directly for queries.
