

# Service rota form

So that I can create the next rota, please click the boxes for the dates below that you **will** be available.

Be sure that the 'robots' box has a tick in it, then send the form to me using the '**Send the Form**' button at the bottom.

I will allocate the appropriate duties to you, balancing your own personal wishes and the availability of others. If you want to be try jobs other than those you've already offered to do, just make a note in the bottom box.

Thanks - *Denise*
