## Guest Local Network Service Acceptable Use Policy

Please read the terms of this acceptable use policy carefully before using our Local Network Service

### 1. Who we are and what is this acceptable use policy for?

- 1.1 Local Network Service in this context means the local technology which enables users in and around our Church Centre to make a connection to the Internet through our own hub. It includes, but is not limited to, Wi-Fi and direct LAN by cable. It does not include any direct connection using data services between the user and their own internet provider, for instance on a mobile phone.
- 1.2 A Local Network Service is made available at Stoneleigh Methodist Church Centre for the use of the members of and visitors to the Centre and use is completely at the discretion of the Stoneleigh Methodist Church Managing Trustees, implemented on a day-to-day basis by the Chairman of the Finance & Property Committee.
- 1.3 This acceptable use policy sets out the terms and standards that apply when you use our Local Network Service.
- 1.4 This acceptable use policy aims to ensure that the Local Network Service is used lawfully, in a way that does not affect the security of the Local Network Service or the service capacity and is in accordance with the Managing Trustees' Safeguarding Policy.
- 1.5 Your access to the Local Network Service may be blocked, suspended, or terminated at any time for any reason – prior notice will be given if possible and practical.
- 1.6 You agree not to use the Local Network Service for any purpose that is unlawful, contrary to the Safeguarding Policy or otherwise prohibited and you are fully responsible for your use.
- 1.7 The Local Network Service is provided on an 'as is' and 'as available' basis without warranties of any kind, either expressed or implied.

### 2 By using our guest Local Network Service, you accept these terms

- 2.1 By connecting to our Local Network Service, you confirm that you accept the terms of this policy and that you agree to comply with them.
- 2.2 If you do not agree to these terms, you must not use our Local Network Service.
- 2.3 We recommend that you print a copy of these terms for future reference.
- 2.4 If any provision or part-provision of this acceptable use policy is or becomes invalid, illegal or unenforceable, it shall be deemed deleted, but that shall not affect the validity and enforceability of the rest of this acceptable use policy.
- 2.5 We may amend these terms from time to time and the current version will be displayed on notice boards in the Church Centre, and on our website at [stoneleighmethodist.church/about/policies/](https://stoneleighmethodist.church/about/policies/). Every time you wish to use our Local Network Service, please check these terms to ensure you understand the current terms.

### 3 What are the Managing Trustees providing?

- 3.1 The Managing Trustees are offering this guest Local Network Service as a free service to users of and visitors to our premises for the duration of their visit, and for purposes related to their use of the Church Centre only.
- 3.2 The Managing Trustees have no responsibility for the information obtained through the internet or actions taken on the internet and are under no obligation to oversee or monitor any information accessed through the

Local Network Service. The Managing Trustees expressly exclude any liability for any loss or damage arising from the use of the Local Network Service. Use of the Local Network Service is at the user's own risk.

- 3.3 The Managing Trustees may remove, block, filter, or restrict by any other means any material that, in our sole discretion, may be illegal, may subject us to liability, or may violate this acceptable use policy. The Managing Trustees may filter 'access' to the Local Network Service for the protection of children, young people or vulnerable adults or other purposes as they feel appropriate.

## **4 Your responsibilities**

### **Security of user's own device**

4.1 You are responsible for the security of your own devices and must:

- (a) Ensure you are running up-to-date anti-virus software on your wireless devices; and
- (b) Be aware that, as you connect your devices to the Internet through the Local Network Service, you expose your devices to threats including viruses, trojans, worms, time-bombs, keystroke loggers, spyware, adware or any other harmful programs or similar computer code designed to adversely affect the operation of any computer software or hardware and take adequate precautions against such threats.

### **Excessive use**

4.2 You should be mindful of other users at all times and must not:

- (a) Run programs, services or systems that are likely to materially degrade the Local Network Service's performance or accessibility; or
- (b) Connect to 'Peer to Peer' file sharing networks or download large files.

### **Unauthorised access**

4.3 You will be granted access to our Network either by username and password in the case of Wi-Fi, or by physical access to a Network access port.

You must not:

- (a) Access another person's device, device account, files, or data without permission;
- (b) Attempt to circumvent or subvert system or network security measures;
- (c) Create or run programs that are designed to identify security loopholes, to decrypt intentionally secured data, or to gain unauthorized access to any system;
- (d) Use any means to decode or otherwise obtain restricted passwords or access controlled information; or
- (e) Forge the identity of another user or device in an electronic communication.
- (f) Disclose details of the access arrangements to any person other than those agreed by the Managing Trustees (acting by the Chairman of the Finance and Property Committee).

### **Use by children, young people or vulnerable adults**

4.4 The use of any of our Local Network Service by children, young people or vulnerable adults is subject to the consent of their parent or guardian. It is important that parents or guardians communicate with such vulnerable users about their safety online as moderation is not fool proof and make them aware of the potential risks to them.

## **5 Purposes the user specifically agrees not to use the Local Network Service for**

### **You may use our Local Network Service to**

5.1 You may use our Local Network Service only for lawful purposes.

  - j) Is otherwise unlawful or inappropriate particularly (but not exclusively) having regard to the doctrinal standards of the Methodist Church.

### **6 Breach of this acceptable use policy**

- 6.1 When we consider that a breach of this acceptable use policy has occurred, we may take such action as we deem appropriate.
- 6.2 Failure to comply with this acceptable use policy constitutes a material breach of the terms of use contained in this acceptable use policy upon which you are permitted to use the Local Network Service, and may result in our taking all or any of the following actions:
- 6.2.1 Immediate, temporary or permanent withdrawal of your right to use the Local Network Service;
  - 6.2.2 Issue of a warning to you;
  - 6.2.3 Disclosure of such information to law enforcement authorities as we reasonably feel is necessary or as required by law;
  - 6.2.4 Legal proceedings against you for reimbursement of all costs on an indemnity basis (including, but not limited to, reasonable administrative and legal costs) resulting from the breach; and/or
  - 6.2.5 Further legal action against you.

### **7 Liability**

- 7.1 You assume full responsibility for your use of the Local Network Service and are responsible for any actions on your device, whether intentional or unintentional, that damage or otherwise affect other devices or users of the Local Network Service.
- 7.2 You agree to be solely responsible for any such loss, infringement, damage, or injury.
- 7.3 You indemnify the Managing Trustees and keep the Managing Trustees indemnified against all losses, claims, demands, actions, proceedings, damages, costs, expenses or other liability in any way arising out of or related to your use of the Local Network Service including any material that you access or make available using the Local Network Service, or in breach of this acceptable use policy, including but not limited to any breach of any third party's rights or any breach of law or regulation, or any breach of this acceptable use policy.
- 7.4 You acknowledge and agree that the aggregate of all liabilities of the Managing Trustees under this policy shall at all times and for all purposes be limited to the net assets of the Church Council and nothing in this acceptable use policy shall attach any liability to or be enforced or enforceable against the assets of the Managing Trustees (whether held in their respective personal capacities, as trustee of any other trust or in any other capacity) other than assets of the Charity.

**By connecting to our Local Network Service, you acknowledge that you understand and agree to this acceptable use policy.**
